

August 19-20, 2009

# “Wood Biomass/Timber Harvesting and Processing Exposition”

Hazelhurst Area - WI

**Registration Is Just \$10.00/Person**

**Registration Deadline Is 8/14/09**

The Sustainable Resources Institute, Inc., Great Lakes Timber Professionals Association (GLTPA), Wisconsin Office of Energy Independence, USFS Wood Education and Resource Center, USFS Forest Products Laboratory, Fox Valley Technical College, and Potlatch will be holding a “Wood Biomass/Timber Harvesting and Processing Exposition” on August 19th and 20th, 2009 in the Hazelhurst Area.

This expo will involve live cutting demonstrations of timber and woody biomass harvesting/processing equipment from various manufacturers on designated 5-acre sites, with designated viewing areas to ensure safety. All sites will be designated or marked for thinnings and/or clearcuts. Species to be cut will be aspen, balsam, oak, red maple, white pine, and white birch.

Demonstrations will start at 8:00AM and end at 4:00PM on both August 19th and 20th, 2009. Shuttle buses will be running on a regular basis from the parking/exhibition area off Highway 51 to the expo site. A food tent will be set up at the expo site.

General registration is \$10.00 and full day attendees will be eligible for WI SFI Credits upon request (see registration form below).

Please see the GLTPA Calendar of Events for an active link showing the current list of exhibitors ([www.timberpa.com](http://www.timberpa.com)).
